

Jeffco Prosperity Partners

Breaking the cycle of poverty in Jefferson County

MISSION

We believe that all individuals, if given a quality education, opportunities driven by their own goals, surrounded by community and individual support, they will generate success and stand on their own two feet.

PROGRAM OUTCOMES

Enhance access to education & employment opportunities, prioritizing finding livable wage jobs and support parents to increase their own education and job skill training.

Improve financial literacy and build economic assets, focusing on improving credit, saving for a house or car, and paying off debt.

Build social capital, fostering social networks through our program design and providing opportunities for families to come together and share success stories to inspire one another.

STATEMENT OF NEED

Investments in high-quality early education

**YIELDS A
13% RETURN**

on investment based on increased school and career achievement as well as reduced social costs.

\$3,000

difference in parent's yearly income

when their child is young is associated with a

17%

increase in the child's future earnings.

A parent's level of educational attainment is also a strong predictor of a child's success.

A college degree **DOUBLES** a parent's income.

POVERTY IS 3.5x LOWER

for those who continue education beyond high school.

PROGRAM COMPONENTS

JPP collaborates with over 60 community partners to connect families to resources and services to help them move beyond poverty to self-defined prosperity.

"JPP has been a life changing experience for me and my family. Without JPP and a dream, none of this could have been possible."

HOW JPP UTILIZES EACH TWO GEN COMPONENT

Early Childhood Education & K-12

JPP supports children to increase school readiness skills and ensure high school graduation.

Postsecondary & Employment Pathways

JPP helps parents increase educational attainment & marketable job skills to enhance employment.

Mental Health & Wellness

JPP ensures children and families have access to all healthcare.

Economic Assets

JPP provides classes around improving financial literacy to help families build economic assets.

Social Capital

JPP fosters social connection through monthly meetings, classes, and events for families to connect with one another and build social capital.
